

CSIR 3rd biennial conference: science real and relevant

The 3rd CSIR Biennial Conference: science real and relevant

The CSIR invites the private sector, government representatives and academic peers to join us at our 3rd biennial conference in August this year.

Online registration now open: www.conference.csir.co.za

Sign up for live video recording:

If you are not able to attend the conference in person this year, why not watch it live over the internet? Sign up and get access to the live video recording of the event.
