On Friday, 07 August 2026, the Council for Scientific and Industrial Research (CSIR) invited bidders to submit quotations for the above-mentioned RFQ, closing date **Monday, 24 August 2026**.

The CSIR appreciates your interest in responding to the Request for Proposal.

Please note the following amendment in the advertised tender document:

Updated specification table in Annexure B: Bill of Quantities

New additional specifications:

1. Please note that on the RFQ Annexure B -Bill of Quantities it is stated that 800kg of Ingran Dextrose Monohydrate (stable, odourless, white crystalline powder of dextrose. Product used in fermentation) is required. However, bidders can quote on Ingran or equivalent.
 - a. Please note that quoting on equivalent Dextrose Monohydrate, the Certificate of Analysis is required
 - b. Please note that the quantity of sample of Ingran or equivalent Dextrose Monohydrate that will be required before delivery is 5kg.
2. Ammonium Hydroxide concentration and grade required is 25%

Closing date extension to allow bidders sufficient time to prepare quality submissions, given the number of queries received.

The closing/submission date for the tender is amended to Friday, 28 August 2026, at 16h30.

The CSIR wishes to encourage you to submit a response to this RFQ, and to apologise for any inconvenience caused because of this erratum.
