A diagram of a fire alarm control panel. It features a central rectangular unit labeled 'FACP' (Fire Alarm Control Panel). To the left of the FACP are two circular detectors: a 'SMOKE DETECTOR' (top) and a 'HEAT DETECTOR' (bottom). To the right of the FACP are three components: a 'SOUNDER' (top), a 'BREAKGLASS' (middle), and a 'FIRE ALARM PANEL' (bottom). The entire panel is enclosed in a blue border.
