The CSIR's main site is in Pretoria while it is represented in other provinces of South Africa through regional offices.

2 BACKGROUND

This is an expression of interest to participate an enterprise development program, with the aim of developing the South African Defence industry. This program will run for a period of three financial years (2022/23, 2023/24 and 2024/25), with the option of extending the program by a financial year (2025/26). This program aims to identify SMMEs or EMEs, with experience in the Software Development domain, to conduct research in partnership with the CSIR.

The establishment of a time or date in this proposal does not create an obligation on the part of the CSIR to take any action or create any right in any way for any respondent to demand that any action be taken on the date established. The respondent accepts that, if the CSIR extends the deadline for proposal submission (the Closing Date) for any reason, the requirements of this proposal otherwise apply equally to the extended deadline.
- 3.9 Documents submitted via cloud solutions such as: WeTransfer, Google Drive, Dropbox, etc. will not be considered.

5 FRONTING

- 5.1 Government supports the spirit of broad based black economic empowerment and recognizes that real empowerment can only be achieved through individuals and businesses conducting themselves in accordance with the Constitution and in an honest, fair, equitable, transparent and legally compliant manner. Failure to do so within a period of 14 days from date of notification may invalidate the proposal / contract and may also result in the restriction of the Respondent /contractor to conduct business with the public sector for a period not exceeding ten years, in addition to any other remedies the CSIR may have against the Respondent / contractor concerned.

Failure to adhere to this requirement may result in disqualification from the proposal process and civil action.

25 AVAILABILITY OF FUNDS

Should funds no longer be available to pay for the execution of the responsibilities of this proposal, the CSIR may terminate the Agreement at its own discretion or temporarily suspend all or part of the services by notice to the successful respondent who shall immediately make arrangements to stop the performance of the services and minimize further expenditure: Provided that the successful respondent shall thereupon be entitled to payment in full for the services delivered, up to the date of cancellation or suspension.
