

07 April 2021**ERRATUM****(RFQ 9291/09/04/2021)****For the supply of Autodesk licenses to the CSIR**

On the 26th of March 2021, the Council for Scientific and Industrial Research (CSIR) invited suitably qualified and experienced service providers to submit proposals for the above-mentioned RFQ. The original closing/submission date for the tender is the 9th of April 2021.

The CSIR appreciates your interest in responding to the Request for Quotation.

Please note the following changes in the advertised tender documents:

- The closing date has been extended to the 16th of April 2021 at 16:30.
- Contract #110002069709 = The correct number is 110002069719
- The 2 new licenses for the PTA office are multi user licenses.
- **N.B** - We have chosen a 3 year period so that we do not have to go out on tender frequently in order to renew the licenses or buy licenses. So once a winning bidder is obtained, we can then renew our licenses without going out on tender each time for the next 3 years. This renewing of the licenses will not be done once-off but only when the licenses are about to expire.
- For the Vault licenses, this will only be purchased when the infrastructure is ready. At the moment we only require pricing.

The CSIR wishes to encourage you to submit a response to this tender, and to apologise for any inconvenience that might be caused.
