## **SECTION A – TECHNICAL INFORMATION**

### **1 INTRODUCTION**

The Council for Scientific and Industrial Research (CSIR) is one of the leading scientific research and technology development organisations in Africa. In partnership with national and international research and technology institutions, CSIR undertakes directed and multidisciplinary research and technology innovation that contributes to the improvement of the quality of life of South Africans. The CSIR's main site is in Pretoria while it is represented in other provinces of South Africa through regional offices.

### **2 PROJECT BACKGROUND**

The CSIR has been contracted by the Limpopo Provincial Department of Transport and Community Safety to assist with the rationalisation and formalisation of subsidised public transport contracts in the province as well as associated transaction advisory services. The work primarily entails implementing the Model Tender and Contract Documents for Public Transport Services published in Government Gazette No. 36524 on 5 June 2013 for subsidised bus contracts that are currently administered by the province in terms of the conditions of the Public Transport Operations Grant. The CSIR seeks to assemble a team of specialist professionals to form part of the transaction advisory team.

### **3 INVITATION FOR PROPOSALS**

A proposal is hereby requested from suitably qualified service providers for the supply of Public Transport Law Specialist for advisory services to the CSIR. The service provider should have extensive experience in the provision of law advisory in the transport industry, particularly in public transport.

### **4 SCOPE OF WORK**

The service provider will be required to assist the CSIR with all legal aspects relating to the project, including, amongst other things:

- (c) Writing and commenting on technical reports.
- (d) Review processes and documentation for compliance with relevant legislation.

- (e) Attending meetings and workshops with stakeholders as and when required by the CSIR (main stakeholders include GDRT, Metros, District, and Local Municipalities). Meetings maybe conducted in person or via virtual meet platforms.

## 5 PROPOSAL REQUIREMENTS

The complexity of the task requires that the service provider should have requisite experience in the following:

- a) Admitted to the High Court as an Attorney.
- b) Experience in drafting public transport legislation.
- c) Experience in supporting judicial commissions of inquiry relating to public transport in South Africa.
- d) Experience in the legal review of Model Tender and Contract Documents for Public Transport Services published in Government Gazette No. 36524 on 5 June 2013.
- e) Experience with negotiating public transport contracting in terms of Section 41 of the National Land Transport Act.

Evaluation will also consider pricing of the service in the form of charge-out rates (unit costs) for their services. (**See ANNEXURE B**)

Where past assignments to demonstrate experience are listed, the list must include dates, monetary value of work, clients serviced and contactable references for each assignment listed. Service providers are also required to indicate their level of availability to carry out assignments in the period **March 2022 to March 2023**, stated in percentage terms (i.e. % of time available to do work over and above prevailing workloads).

The prospective service providers must document all the above in the RFP.
